

PEDIATRIC DENTIST OPPORTUNITY WITH ROANOKE PEDIATRIC DENTISTRY

Pediatric Dental Office in Roanoke, VA

Roanoke Pediatric Dentistry is looking for a full-time pediatric dentist to support their desire to serve this growing community in Roanoke, VA. This opportunity offers competitive pay, an impressive benefits package, and the synergy and support of the clinical and administrative staff. This associate would receive growth opportunities with a pathway to ownership, along with thorough training. We offer state of the art equipment along with advanced technology and software solutions to optimize the best patient care.

Dr. Corey Sheppard is searching for a dedicated associate doctor seeking a fulfilling, long-term career with his practice. Roanoke Pediatric Dentistry endorses a workplace that fosters well-being and teamwork in a patient-centric environment.

Nestled in the heart of the Blue Ridge Mountains, Roanoke offers a diverse and dynamic experience. Immerse yourself in outdoor adventures with hiking on the iconic Appalachian Trail or kayaking on the Roanoke River. Smith Mountain Lake, Virginia's most popular lake, offers parks, beaches, and activities. Explore the vibrant downtown where local art, music, and culinary delights thrive. Roanoke's rich railroad history comes to life at the Virginia Museum of Transportation, while the famous Roanoke Star provides breathtaking panoramic views. With a perfect mix of culture, natural beauty, and history, Roanoke captures the essence of Virginia's beautiful scenery.

Roanoke Pediatric Dentistry provides unique services for pediatric patients, including laser dentistry and laser frenectomy for lip and tongue ties. The doctors are Board Certified and the office has state of the art equipment. Roanoke Pediatric Dentistry utilizes the local hospitals for OR cases and has dedicated operating rooms in the clinic that is certified as a Level 1 Surgicenter with anesthesiologists for GA services in office. Additionally, we make use of all materials for procedures, including up to date Zirconia for cosmetic pediatric dentistry.
